

Brian Zoeckler, C.M., ACE, is the Airside Operations Manager at Charlotte Douglas International Airport, where he leads a team responsible for ensuring compliance with Federal Aviation Administration (FAA) regulations and the safe operation of a commercial service airport.

Since joining CLT in 2015, Brian has held a series of progressively responsible roles within Airport Operations, including Airside Coordinator, Supervisor, Senior Supervisor, and Assistant Manager, and Interim Airport Operations Director – Regulatory Compliance. Prior to his time with the City of Charlotte, he served as a Ramp Manager for Piedmont Airlines at CLT.

Brian holds a Bachelor of Science in Aviation Management from Kent State University.
